No. of Post	: (1) Post
Report to	: EOC Manager
Department	: Disaster Management Department
Duty Station	: Nay Pyi Taw
Grade	: D2
Benefits Packages	: Salary + Insurance + Training + Travelling Allowances + Casual Leave+ Quarantine Leave+ + Annual Leave + Medical Certificate Leave + Maternity Leave + Substituted Leave
Application Deadline	: (26 / 02/2019),16:30 pm

Background of Project: Myanmar Red Cross Society (MRCS) is going to start a Disaster Risk Reduction (DRR) project called *“Disaster Response Capacity Development”* with the support of Canadian Red Cross (CRC). The project aims to support the disaster management capacity of Myanmar Red Cross Society. One of the key objectives of the project is to develop well-functioning EOC by capacity building of staff and installation of appropriate equipment. As such, MRCS had already installed Emergency Operation Centre (EOC) at Yangon and Nay Pyi Taw. The EOC will play vital role in strengthening early warning system as well as speeding up emergency response operations.

Purpose of this position: ‘Emergency Operation Centre (EOC) Officer’ under direct supervision of ‘MRCS EOC Manager, DM Department. The ‘EOC Officer’ will be a highly motivated and proactive individual, who is able to work both

"Person with disability are encouraged to apply this post as they will be given equal opportunity"
"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

independently as a team member and under supervision as well as showing flexibility in meeting the various tasks required by this position.

Duties and Responsibilities

Role and Responsibilities:

Planning

1. Assist EOC Manager in executing EOC Standard Operating Procedures (SOPs) and improving on the SOPs where needed in consultation with The International Federation of Red Cross and Red Crescent Societies (IFRC), American Red Cross (AmRC), Canadian Red Cross (CRC) and other partners.
2. Manage EOC processes per the SOPs, including EOC activation/deactivation and office development activities.
3. Assist EOC Manager in designing and executing simulation exercises per the SOPs.
4. Provide technical support for drills and exercises at the national and local level in close coordination with the DRR.

Monitoring and Reporting

5. Monitor and update EOC Manager on weather changes and imminent disasters, which should be ongoing in an activation period.
6. Regularly gather and analyze information and data regarding any impending disasters/hazard events from multiple sources; prepare concise briefing notes for dissemination to MRCS Sr. Management, Disaster Response Teams, concerned branches and other relevant stakeholders.
7. Manage operations data at multiple levels, including States, Regions and townships.
8. Ensure databases are kept up-to-date and made accessible to relevant parties; the 3Ws data should be updated weekly in normal times and daily during an emergency.

"Person with disability are encouraged to apply this post as they will be given equal opportunity"
"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

9. Develop disaster reports monthly, quarterly, and annually; in an emergency activation, situation updates should be sent daily to the EOC Manager.
10. Assist EOC Manager in monitoring the status of staff, response team members, volunteers and equipment deployed to an emergency response operation.
11. Collect and combine community feedback and send to EOC.
12. Maintain and organize all EOC reports.
13. Submit PMER reports as requested.
14. Monitor on-going operations and new events.

Coordination

15. Ensure regular communications with government, UN, partner national societies, etc., providing data when requested and obtaining relevant reports from external agencies.
16. Support communications at the branch level during large events or incidents.
17. Liaise with and provide support to government EOC counterparts.
18. Ensure effective and efficient communications per the SOPs regarding emergency preparedness and response measures for impending disasters/hazard events that may adversely impact certain geographic locations and require MRCS and multi-agency response.
19. Manage internal MRCS communications, including with Logistics, Finance, Administrative and other departments regarding emergency activities.
20. Assist EOC Manager in strengthening community-based Early Warning– Early Action (EWEA) systems by sharing information through a variety of channels, such as phone, social media, email, etc.
21. Establish smooth communication and functional linkages with the national EOC and other relevant agencies as part of EWEA to gather and share any relevant data.
22. Support EOC Manager to address community feedback complaints and other issues by reviewing requests and implementing resolutions.

"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

23. Maintain the EOC Facebook page, issuing disaster updates under the EOC Manager's discretion.

Administration

24. Ensure the correct use, maintenance and storage of all equipment and assets in the EOC per the SOPs, including keeping an updated assets list, ensuring equipment is functioning properly, and accessing assets when needed.

25. Answer/reply to EOC phone calls and faxes.

26. Other work-related duties and responsibilities as may be assigned by the supervisor.

Emergency Response (EOC Activation)

27. Arrange and facilitate EOC meetings, including scheduling and taking minutes.

28. Write briefing notes (TOR) every two weeks during an emergency activation.

29. Write internal reports, requisitions and office letters as needed.

30. Write daily situation update reports and send to EOC Manager.

31. Functioning for emergency response activities (EOC activation) as per Standard Operation Procedures (SOPs) of MRCS' Medium Scale Disaster Management and EOC. .
