Application Deadline	: (26 /03 /2019), 16:30 pm

Program Background: MRCS in collaboration with the American Red Cross is planning on implementing an OFDA funded programme in Central Rakhine State over a fifteen-month period. The project seeks to contribute to the increase of overall resilience of communities both directly and indirectly affected by communal violence. The project will target two townships in Central Rakhine State, namely Ponnagyun and Minbya Townships. The project will strengthen Myanmar Red Cross Society (MRCS) capacity to engage communities in resilience programming through training and awareness building. The project will also seek to address an observed lack of awareness surrounding hygiene practices in villages through direct interaction with community members. MRCS is seeking three (3) Field Officers to join this team.

Purpose of the position: Disaster Risk Reduction Field Officer will be responsible for implementing the Resilience in Rakhine Program based in Rakhine. Disaster Risk Reduction Field Officer will ensure all activities are implemented in line with the project goal, objectives and output indicators. Disaster Risk Reduction Field Officer will be based in Minbya, as part of

"Person with disability are encouraged to apply this post as they will be given equal opportunity"

"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

the Rakhine Programme team, and will work under the direct supervision of the Programme Coordinator (for this project) based in Sittwe.

Duties & Responsibilities

1. Work in close coordination and cooperation with other program team within the Rakhine program.
2. Ensure that suitable community mobilisers are selected and trained in communities where RCVs will not be working.
3. Prepare township level risk profile based on secondary data (related to hazards, economics, health and others)
4. Facilitate Township Red Cross Branch and local authority to identify vulnerable communities to implement project activities;
5. Advocacy and liaise with key stakeholders (Government, INGOs and Local NGOs) to support communities in implementing project activities
6. Facilitate and assist to Community and Red Cross Volunteers in planning and implementing DRR activities in the targeted communities such as;
 - a. Carrying out Integrated Community Assessment for building resilience.
 - b. Develop Disaster preparedness and response planning with community
 - i. Set up Community based Early Warning System
 - c. Developing Households Level Disaster Preparedness (DP) Planning
 - d. Setting up of Emergency Response Teams and Early Warning System at the branches
7. Ensure that project implementation is in line with MRCS strategy, policies and the Red Cross Fundamental Principles and Code of Conduct.
8. Maintain all hard and soft copy files for the programme;
9. Participate in the preparation of operational plans for the project
10. Take responsibility for the overall implementation plan and scheduling and workshops, and ensure community participation in all phases of programme planning and implementation as per MRCS minimum standards for Community Engagement and Accountability

"Person with disability are encouraged to apply this post as they will be given equal opportunity"

"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"
