**Project Background:** This project targets area with high numbers of Internally Displaced Persons (IDPs) affected by conflict, as well as potential refugee returnees from Thailand. To date, the project has mainly focused on assisting communities affected by displacement in terms of basic needs and essential services by constructing Rural Health Sub Centers (RHSC), primary schools, latrines and providing health education and WASH trainings at primary schools as well as in villages hosting Persons of Concern (PoC). In Kayin, Mon states and Tanintharyi Region, 93 Primary School, 79 RHSC and 212 double unit latrines have been constructed and targets achieved.

In 2017, the main project interventions included strengthening and expanding community mobilization, providing services for persons with special needs such as landmine survivors and Extremely Vulnerable Individual (EVI) cases, providing Basic Life Skills as well as First Aid training to community volunteers. The project seeks to improve access to basic education and primary health care services and thereby ensuring safer, healthier and more resilient communities. The project mainly focuses on community-based reintegration and support to persons with specific needs in areas affected by displacement in Mon, Kayin States and Tanintharyi Region as well as Yangon and Bago. To strengthen the capacity of Community Based Organizations, a management and leadership skills project has been developed that establishes village project supervisory committees and conducts training appropriate to community needs. The project seeks to develop community ownership around WASH, (sanitation and disease prevention in particular), by providing latrine

plastic pans and pipes for each project village. Priority is given to Internally Displaced Persons (IDPs), returnees and needy households in the communities.

In 2018, following the announcement of the cessation of refugee status for Chin refugees, it is anticipated that some Chin refugees residing in India and other countries of asylum may return in the course of 2018-2019. Before making the decision to return, refugees should have the necessary information about Chin State through benchmark assessments. Upon return the refugees will be provided with a minimum reintegration package and further information concerning social services.
