Program Background: In 2017, MRCS is increasing its engagement in Rakhine state through immediate, medium and long-term support to people affected by communal violence. With the support of IFRC, ICRC MRCS has initiated Rakhine Operations Management Unit program in Sittwe, Mrauk-U, Kyauktaw, Ponnagyun, Minbya, Maungdaw, Buthidaung, and Rathedaung Townships. Program period is initial three months and high possibility of extension as long-term program. Maungdaw, Buthidaung, and Rathedaung areas are under the management of Maungdaw Hub office. MRCS is setting up Operation Management Unit.

Purpose of this position: We are looking for a skilled Mechanic to assemble, maintain and repair machinery and vehicles. You will be responsible for ensuring functionality and reliability of machines, engines and mechanical systems of various machines and tools as well as follow all safety precautions. You will diagnose vehicles based on observational and mechanical testing as well as information provided by the driver and then provide assistant fleet officer with detailed estimates for repairs and replacements. Repair vehicles based on the diagnosed issues and repair
