Application Deadline	: (18 /06/2019), 16:30

Program Background: In 2017, MRCS is increasing its engagement in Rakhine state through immediate, medium and long-term support to people affected by communal violence. With the support of IFRC, MRCS has initiated Branch Capacity Building Development program in Sittwe, Mrauk-U, Kyauktaw, Ponnagyun, Minbya, Maungdaw, Buthidaung, and Rathedaung Townships. Program period is initial three months and high possibility of extension as long term program. Maungdaw, Buthidaung, and Rathedaung areas are under the management of Maungdaw Hub office. MRCS is setting up Operation Management Unit.

Purpose of the position: The Medical Doctor will be the senior member of one of the MRCS mobile clinic teams operation in Minbya Township, Rakhine State, providing primary medical care to populations affected by communal conflict and displacement. Mobile clinics will travel to different locations on a rotating basis, as guided by the State Health Department/Ministry of Health. The Medical Doctor is responsible for the field operations of the mobile clinic, ensuring that health services are provided to the targeted community, supervising the other members of the mobile team (Nurses and Red Cross Volunteer local aid workers) as well as coordinating
