"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

Buthidaung, and Rathedaung areas are under the management of Maungdaw Hub office. MRCS is setting up Operation Management Unit.

Purpose of the position: The Medical Doctor will be the senior member of one of the MRCS mobile clinic teams operation in Maungdaw and Buthidaung Township, Rakhine State, providing primary medical care to populations affected by communal conflict and displacement. Mobile clinics will travel to different locations on a rotating basis, as guided by the State Health Department/Ministry of Health. The Medical Doctor is responsible for the field operations of the mobile clinic, ensuring that health services are provided to the targeted community, supervising the other members of the mobile team (Nurses and Red Cross Volunteer local aid workers) as well as coordinating with State Health Department (SHD), local community and Internal Displace People (IDP) camp leaders, and other organizations providing health care as necessary.

Duties and Responsibilities

I. Clinical Care

1. Ensure MRCS policies and guidelines are properly followed.
2. Provide appropriate clinical care to all patients, including diagnosis and treatment of prevalent diseases.
3. Determine when a patient should refer to higher care facilities and proper referral ensured.
4. Ensure patient's regular attendance to clinic and to monitor progress and side effects.
5. Organize the patient appointment book, registers and regular follow-up schedule.
6. Address other health needs of the patients in general.
7. Maintain clear and complete documentation on patients.
8. Perform home care visits when and where necessary.

II. General management and coordination

9. Coordinate with other members of the multi-disciplinary team surrounding each patient.
