No. of Post	: (1) Post
Report to	: Operations Manager
Department	: Health Department
Project Name	: COVID-19 preparedness and response operation
Duty Station	: Nay Pyi Taw/ Yangon
Grade	: D2
Duration	: Six months until end of year 2020
Benefits Packages	: Salary + Insurance + Training + Travelling Allowances + Casual Leave + Quarantine Leave + Annual Leave + Medical Certificate Leave + Maternity Leave + Substituted Leave
Application Deadline	: (14/07/2020), 16:30

Myanmar Red Cross Society (MRCS) is volunteer based humanitarian organization throughout the whole country acting with and for the most vulnerable at all times. Benefit Package consists of Paid Medical, Annual, Casual Leave, Insurance, On-Duty for Training, Provide Accommodation Allowance & Hardship Allowance for specific area, Training and Development Opportunities, Promotion and Management Development.

Background: With the auxiliary role to the government in humanitarian activities by the national law, MRCS has closely coordinated with Ministry of Health and Sports (MOHS) both at national, state/regional, and township levels for the preparedness and response activities of COVID-19 epidemic in the country. MRCS later developed its first emergency plan of action (EPoA) and updated it in April. The plan intends to carry out its preparedness and response activities in all four phases of the epidemic stated in health sector contingency plan as

"Person with disability are encouraged to apply this post as they will be given equal opportunity"

"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

- 1- Preparedness
- 2- Containment
- 3- Mitigation and Control
- 4- Stand Down Phases of COVID-19 epidemic in the country.

The overall operational objective is to fulfil the auxiliary role and mandate of the National Society and contribute to reducing illness and loss of life, while protecting the health, safety, wellbeing and livelihoods of the most vulnerable people, by supporting efforts to contain, slow or suppress transmission of the virus, treating cases, and helping affected communities maintain access to essential health and social services. By responding to the secondary socio-economic impacts, the strategy also looks ahead to early recovery from the crisis.

The main prioritized areas are

- 1- Health and WASH
- 2- Addressing Socio-economic impact of the outbreak
- 3- Strengthening National Society's institutional capacity

Purpose of the Position: The overall purpose of the PMER officer is to provide technical assistance to the operation manager in regards with the planning, monitoring, evaluation and reporting tasks related to COVID-19 response operation within the framework of the MRCS policies and procedures in accordance with the fundamental principles of the Red Cross Movement. S/He is also responsible to building up the capacity of programme staff and Red Cross Volunteers at township and community to measure impacts in line with project agreement.

Duties and Responsibilities

Planning and Monitoring of the operation

1. Provide appropriate technical assistance to Operation Manager in reviewing and revising work plans.
2. Verify and analyse data and information on a regular basis to ensure that operation is progressing as planned and make appropriate recommendations for the operation team
3. Support in establishment and maintenance of effective database providing support and supervision in data collection, entering, processing and analysis.

"Person with disability are encouraged to apply this post as they will be given equal opportunity"

"Our recruitment and selection procedures reflect our commitment to the safety and protection of children, and prevention of violence among communities members in our programs"

Reporting

4. Develop weekly activity updates to submit the Ministry of Health and Sport in Myanmar and to share the RCRC partners in English.
5. Daily update to operation manager in regards with the reporting status from States and Regions.
6. Work on knowledge management by disseminating the monitoring and evaluation findings, recommendations, and lessons learnt from monitoring and evaluation.
7. Prepare the final operation report and donor reports according to different donor timelines.

Capacity Development

8. Provide trainings and supervise quality of work of data volunteers from township branches.
9. Support for conducting participatory lesson learned, monitoring and evaluation activities in the field.
10. Support project staff on ways to properly document, organize and capture program progress.

Cooperation and coordination

11. Ensure effective and close coordination with colleagues from different departments of MRCS especially Health MER manager.
12. Ensure close coordination with State/ Region and Township Red Cross branches personnel by means of 2-way communication.

General

13. Any other relevant duties assigned by direct supervisor and Health Department.
