Activities of Myanmar Red Cross Society facilitated by MRCS branches and community based Red Cross volunteers

Providing support according to local needs

Maximizing the first aids and emergency responses

The Myanmar Red Cross Society (MRCS) and Yangon Aerodromes Company Limited signed an agreement to provide First Aids support in emergency situations. The signatory event was held in the Yangon Aerodromes Company Limited meeting hall on 27th January, and attended by the chairman of Myanmar Red Cross Society, Dr. Maung Maung Myint. Mr. Pedro Cavern gave an opening speech and Dr. Maung Maung Myint have a word of thanks after they both signed on the agreement.

Donations boxes were placed at the Yangon International Airport and a certificate of honor was gifted to the company. Then, U Ye Khaing, the Operating Director of Yangon Aerodromes Company Limited, made a discussion regarding the annual general fund donation.

In addition to the Chairman, the General Secretary of MRCS, Prof. Dr. Htin Zaw Soe and other responsible individuals were also present at the event.

Headquarter

Building the community resilience

On January 29th, 2022, the Chairman of Myanmar Red Cross Society, Dr. Maung Maung Myint and his team attended the graduation ceremony of First Aids (Basic) courses conducted during 2022 (from No. 1/2022 to 22/2022). The ceremony was held at the Insein Township Hall, Yangon region.

The Chairman gave an opening speech at the ceremony. Among the training participants, 66 trainees were received outstanding awards and 22 trainers were also honored.

In addition to the Chairman, the General Secretary of MRCS, Prof. Dr. Htin Zaw Soe and the directors, the Chairman of regional MRCS and responsible individuals, volunteers and invited individuals were also in attendance.

Yangon

The Health Department of Myanmar Red Cross Society has been implementing community-based health care and disaster resilience project in Loilem Township, Shan State. As one of the activities of the project, a water storage tank was built in the Leilem Village and transferred it to the community with a ceremony on January 18th.

The project aims to provide clean water to the project targeted villages and reduce the prevalence of water-borne diseases. Project staffs are working in collaboration with the village communities, and the completion of the water storage tank will benefits 212 local residents.

Photos and videos of the Red Cross activities in 2022

The Myanmar Red Cross Society aims to alleviate human suffering and we are constantly working and preparing to deliver maximum assistance to those in need. We have been providing assistances to many households across Myanmar. We have been always ready for those in need including displace people, victims of natural disaster and accidents.

Our activities can be found in our social media platforms, and we would like to present some photos and videos to brief our humanitarian activities in 2022.
